## **AOTA Reopening Plans and Policies!**

Please review the following policies and guidelines with your dancer before returning to Fall 2020 Dance Session

### **SAFETY FIRST for Dancers returning to “in studio classes”**

#### **Socially Distanced Classrooms!**

- Each studio will be capped at a socially distanced number appropriate to the studio size. This will be adjusted as needed according to new guidelines.
- Studio floors will be marked for social distancing and warm ups and choreography will be non-touching. Dancers will be reminded throughout class, not to touch, hug each other and to maintain social distancing.
- Spaces will be marked for dancers to place their dance bags/basket. Dancers should keep shoes & personal items in their bag/basket at all times when not using. Do NOT leave dance bags and items in the hall or cafe area.

#### **Masks are Required!**

- Masks are required for all dancers, parents, AOTA staff, volunteers & assistants at all times. If you choose not to wear a mask or are unable to wear a mask due to medical reasons, please drop off your dancer and remain outside of the building.

#### **Enter Sanitized and Ready!**

- Dancers will need to come dressed for class and carry in a dance bag or basket holding all of their dance shoes and belongings. All dressing rooms will remain closed during the fall session.
- Each studio entrance will have a Sanitizing station set up for dancers to use sanitizer as they enter the studio **Multiple Entrances!** Dancers should enter using the entrance to their assigned studio instead of the front door of the lobby whenever possible.
- Studio 1 dancers should enter through the main lobby, front door.
- Studio 2 dancers enter through one of the glass doors to that front studio.
- Studio 3 dancers should enter through the main lobby, front door.
- Studio 4 dancers enter through the back alley double doors marked “studio 4”

### **COVID Check List!**

- Dancers will be required to fill out a COVID checklist each day during attendance for level 2 and up. Teachers and assistants will provide checklists as part of the attendance process each class.
- Parents of younger dancers should fill out one checklist to include both their dancer and themselves. Checklist will be provided by the teachers and assistants at arrival to class.

### **Lobby Protocol!**

- Dancers will not be allowed to wait in the studio lobby between class times. Please make arrangements for your own dancers scheduled classes.
- Bathrooms will be open and frequently cleaned. Dancers should go to the bathroom before class begins. Only one dancer at a time can leave the class at a time to use the bathroom. Parent of younger dancers should assist the dancer to the bathroom. No more than two people in the bathroom at one time
- Parents of younger dancers- ONE Parent of Cherubs, Pre Ballet/Tap or Intro Ballet/Jazz, and level 1 dancers can accompany their dancer to their assigned studio door and can remain outside or in the lobby area. No more than 8 in each viewing area of the studio lobby at one time. Social distancing must be maintained in the studio and in outside common areas. Lobby area floors and seating will be marked for safe, social distancing. Masks are required and sanitizer should be used within the studio lobby while waiting.
